The Fly Fishers of Virginia was established in 1982 to promote the art of fly rod fishing; to foster good sportsmanship; and to promote conservation of the nation's natural resources.

During the year, six dinner meetings are occasions for informational programs pertaining to the many aspects of fly fishing and conservation activities. Programs are presented by international and local experts and celebrities in the fly fishing world, as well as knowledgeable FFV members.

Fishing trips are scheduled each year for cold water, warm water, and saltwater species.

Educational programs for members and the public, as well as seminars and workshops are scheduled periodically.

Fly tying classes are offered each winter: Beginning, Intermediate, or Advanced, depending on demand. Casting clinics are also available.

The club gives financial support to several conservation and fly fishing related organizations, including: James River Association; Wildlife Foundation of Virginia and special projects of the VDGIF; The Chesapeake Bay Foundation; Coastal Conservation Association, Project Healing Waters, and The Brotherhood of the Jungle Cock.

Raffle and Silent Auction

The raffle and silent auction at the Annual Banquet are the single most important fund-raising event for our club. The proceeds support our conservation efforts, special events and classes, and allow us to have quality speakers at our meetings. The Annual Banquet Committee has put together a superior assortment of items this year. Come with open wallet—you won't be disappointed.
